Critters Without Litters offers humane cat traps for a 14 day rental period. The rental is free for the 14 days with a \$75 deposit, cash or credit card. The deposit will be returned after the trap is returned clean and in good working order. Deposits will not be refunded in the case of damaged, lost or unreturned traps. Please abide the following instructions for trap rental from our facility:

- Place trap on level ground so it is stable when the cat enters.
- Trap is to be baited with fresh food each day it is used.
- Trap should only be set Sunday – Wednesday as Critters only provides spay/neuter services for feral cats on Monday – Thursday.
- Cats that are trapped should not remain in a trap for more than 24 hours.
- Any animal not intentionally caught should be immediately released.
- Traps are not to be set if the weather is below 32 degrees or above 80 degrees.
- Under no circumstances should traps be used as an aid for hunting.
- Any person abusing or neglecting a captured animal will be prosecuted.

*I am aware that failure to abide with this agreement will result in forfeiture of the trap and my deposit. In the event the trap is lost, stolen, or damaged, I agree to pay the full replacement cost to Critters Without Litters.*
